Principal

FB Leon Guerrero Middle School's mission is to respond to the unique needs of our students while exploring areas of individual potential and cultivating lifelong learning skills.

The Department of Education can make accommodations for students in out of attendance area. Board Policy 318 guides the out-of-district school enrollment with the primary focus on ensuring adequate enrollment capacity for in-district students in our schools.

### Priority Considerations for Accepting Out-of-District Students:

- 1. Principal's discretion.
- 2. Student's prior participation and expected on-going enrollment in academic and career-oriented programs not offered at other schools, including but not limited to: GCC programs, JROTC, Robotics or certain AP/Honors
- 3. Parent is an employee at the school site, upon approval.
- 4. Student's being transient or homeless.
